

PUBLIC MEETING NOTICE

Hennepin Healthcare System, Inc., d/b/a Hennepin County Medical Center

Mission Effectiveness Committee

Hennepin Healthcare System, Inc. creates an annual Health Services Plan (the Plan) that is submitted to the Hennepin County Board of Commissioners for review and approval. The plan draws from a population health needs assessment and delineates the corporation's role in the community, including education, research, and services to improve the health status of the community including indigent populations. The Plan includes a description of how the corporation shall continue to coordinate with the county to provide health-related services to the residents of Hennepin County, including the indigent as defined by state and federal law and as determined by the Hennepin County Board of Commissioners.

On Monday, September 26, 2016, the Mission Effectiveness Committee of the HHS Board of Directors will hold its regularly scheduled meeting and the first item on the agenda will be a report on the development of the 2017 Health Services Plan.

Notice is hereby given: Any interested member of the public is invited to attend the Mission Effectiveness Committee meeting during which the Plan's development will be discussed, for the purposes of learning about the Plan and commenting on it.
