Purpose: Improve patient outcomes by disseminating the latest trends in trauma, emergency and critical care to nurses and health care providers across the state and region.

Date/Time: Live 3rd Wednesday of the Month from 0730-0830 in RL.110 at Hennepin County Medical Center Web cast live or via link for 4 weeks after the presentation to receive contact hours. Links will be kept open for 6 months for viewing and contact hours.
Dates/Times may be altered due to speaker and room availability.

Registration: Register to have the series by e-mail on a monthly or yearly basis sent to your work or home e-mail address. Link will be sent week of presentation to the e-mail address provided. Send new registration information to Karie.pearce@hcmcd.org or fax: 612-904-4245 for this option.

Contact Hours: This activity was designed to meet the requirements for **1.0 (60 Minutes)** of continuing nursing education. Certificates are now provided electronically after completion of a session evaluation and post test. Webcast can be viewed after the live cast with contact hours provided after completion of the evaluation and post test. NOW AVAILABLE for 6 MONTHS – 1 YEAR
