

# Project ECHO Half and Half Buprenorphine Waiver Training for Opioid Use Disorder

Physicians, PAs, and APRNs can register for this 4 hour webinar via computer taught by a clinical experts. Once completed, participants will receive the second half of the course – a 4 hour online self-study portion.

For physicians, this webinar and coursework fulfills the required eight hours of training to apply to the Drug Enforcement Agency for a waiver to prescribe buprenorphine.

For PAs and APRNs, this webinar and coursework fulfills the first 8 hours out of the 24 hour requirement.
