

FREESTANDING CLINIC PRICE TRANSPARENCY

- The amounts posted here do not reflect the amount individual patients or their health insurance plan will owe for the services listed. For specific information about the amount you will owe for the services you receive, please contact your insurer.
- The Minnesota Legislature enacted a new law that requires certain clinics to report information about the 25 most frequent services they provide that cost more than \$25.
- Charges represent the standard amount a clinic bills for any service, not the amount the clinic actually gets paid for the service. For most patients, clinics are paid at a level well below their charges.
- Patients covered by commercial insurance companies or Medicare Advantage plans have rates specific to their particular company and policy that the insurer negotiated with in-network clinics.
- Patients with government-sponsored health coverage, such as Medicare or Medicaid, have clinic payment rates based on fee schedules.
- For additional information about this clinic's charges, Medicare or Medicaid payment rates, or the clinic's average payment rate from commercial health insurance companies, please contact our clinic's patient financial counseling department at : 612-873-9500
