Keeping your employees healthy with onsite services
As an employer, your employees are your greatest asset. Ensuring their good health impacts business productivity and success. Partner with us for convenient and effective onsite health services to help your bottom line!

Flu and other immunizations
• Over 20 years of experience using Registered Nurses (RNs)
• Includes flu, TDAP, shingles, Hep A and B
• Generally no cost to you or your participants
• Able to bill insurance plans
• Online scheduling

Hennepin Healthcare
hennepinhealthcare.org
Health screenings
- Customizable package options
- Screens completed by an RN
- 1-on-1 personalized consultation with RN
- Online scheduling & summary reports provided

Health fairs
Partner with us to customize a program for your next health or wellness fair.

Lifestyle Education
Led by an RN, these courses fuse integrative health with a group visit model adapted for the worksite. Participants receive education and have time to dialogue, build skills, and develop mind-body practices to improve their health. Some courses available in webinar format.
