

Reasons We Would Not Share Your Story

We will not add stories to our website that are from the perspective of our hospital's leadership, deemed to be:

- Offensive to our web visitors. This would include content that is potentially:
 - Obscene or vulgar
 - Insulting or demeaning to any race, gender or creed
 - Threatening or harassing
- Advertisements or endorsements of other organizations
- Information taken from another source without permission
- Comments unrelated to the subject and our website
- Shared without regard to our [HIPAA Patient Privacy Policies](#)
