

Critical Care Pharmacy Preceptors

MICU: Kelly Considine, Tim Fromm

SICU: Jon Jancik, Tim Lam

Emergency Medicine: Holly Drone, Nick Beaupre

Decentral ICU: Kaitlyn Robinson, Lori Chiappetta

Pediatrics: Jessica Jantzer, Sarah Linder-Stenzel

Infectious Disease: Aileen Ahiskali

Burn: Nichole Neumann, Ellen Walter

Toxicology: Stacey Bangh, Sam Lee, Becca Lange, Alex Ulici, Ting Regelman

Cardiology: Laura Hubbard

Jon Jancik, Pharm.D, BCCCP

Jon Jancik is a graduate of the University of Minnesota, College of Pharmacy (BS 1989, Pharm.D 1992). He is board certified in critical care and practices in the Surgical/Neuroscience ICU. Jon's areas of interest include the pharmacotherapeutic management of brain injury and surgical infectious diseases. He is the residency director of the PGY-2 Critical Care Residency Program. Jon is a member of the Health Systems Practice Standards, Stroke, Critical Care and Antimicrobial Stewardship Committees.

Kelly Considine, Pharm.D, BCPS, BCCCP

Kelly Considine graduated with a BS in Biology from the University of Iowa and PharmD from University of Minnesota College of Pharmacy. She completed her PGY-1 and PGY-2 Critical Care Residency at Hennepin County Medical Center. Kelly maintains board certification in both pharmacotherapy and critical care. Kelly works primarily in the MICU and as one of the Pharmacy and Therapeutics Coordinators. She is a member of ACCP as well as the Critical Care Committee and ASP Committee at HCMC. Her areas of interest include anticoagulation, pharmacokinetics and anticoagulation in ECMO, and formulary management.

Holly Drone, Pharm.D, BCCCP

Holly is originally from Apple Valley, MN. She graduated with a B.S. in Chemistry from the University of Notre Dame in South Bend, IN in 2008 and earned her Doctor of Pharmacy degree from The University of Minnesota College of Pharmacy in 2013. She completed her PGY-1 Residency at HCMC in 2014 followed by a PGY-2 Critical Care Residency at HCMC in 2015. Her primary professional interests include emergency medicine, acute trauma management, and infectious disease. Outside of the hospital, she enjoys spending time with her husband, two kids, and dogs, trying new places to eat, and exploring all of the outdoors of MN!

Timothy S. Lam, Pharm.D., BCCCP

Tim is currently one of the pharmacists for the Surgical ICU. He is a graduate of St. John's University and completed his PGY-1 Pharmacy Practice Residency at NYU-Winthrop Hospital and PGY-2 Critical Care Residency at Hennepin County Medical Center. Tim has strong interests in neurocritical care, infectious disease, and serving as a preceptor for the residency program. Outside of his professional interests, he enjoys Brazilian Jiu-Jitsu, watching the New York Yankees and Giants, and spending time with his friends and family.

Jessica Jantzer, Pharm.D, BCPS

Jessica Jantzer graduated in 2008 from the University of Minnesota College of Pharmacy. She completed a critical care residency at Hennepin County Medical Center in 2009, and started working with the HCMC pediatric teams that year. She currently splits her time between the pediatrics floor, pediatric intensive care unit (including pediatric burn patients), and the neonatal intensive care unit. To encourage pediatric medication safety and visibility at HCMC, Jessica is a member of the PICU/Peds Medication Safety QI Team as well as the NICU Medication Safety QI Team. She belongs to the American College of Clinical Pharmacy (ACCP). Jessica enjoys reading, outdoor activities, and spending time with her husband and children.

Aileen Ahiskali, PharmD, BCIDP

Aileen is originally an East Coast native, having lived in New Jersey and New York City prior to moving to Minnesota. She graduated from the Brooklyn Campus of Long Island University in 2014 and subsequently completed her PGY-1 Pharmacy Practice Residency and PGY-2 Infectious Diseases Residency at Abbott Northwestern Hospital. Since then, Aileen has been the Antimicrobial Stewardship Pharmacist for Hennepin Healthcare where she serves as the co-chair of the Antimicrobial Stewardship Program and clinically rounds with the infectious diseases consult service. In her free time, she enjoys spending time with friends, exploring Minnesota's endless microbreweries, and finding innovative ways to stay warm in the winter.

Stacey Bangh, Pharm.D, D.ABAT

Stacey has worked for the Minnesota Poison Control System since her graduation from the University of Minnesota College Of Pharmacy in 1995. She began her career in the Poison Center working on the phones as a Specialist in Poison Information and in 2000 became the Clinical Supervisor. Stacey is boarded in toxicology through the American Board of Applied Toxicology. Her areas of interest include acetaminophen toxicity, staff training and development and teaching. In her spare time, Stacey enjoys discovering new dishes to cook and new places to eat, traveling and spending time with her family and friends.

Samantha Lee, PharmD, BCPS, DABAT

Sam Lee graduated from the University of Minnesota College of Pharmacy in 2009. She completed a PGY-1 residency at Hennepin County Medical Center in 2010, followed by a Clinical Toxicology Fellowship at Maryland Poison Center/University of Maryland School of Pharmacy in Baltimore in 2010-2012. She obtained her certification as a Specialist in Poison Information in 2013, Diplomate of the American Board of Applied Toxicology in 2015, and her BCPS certification in 2019. In 2021 she became the Director of the Poison Center. She is a member of American Association of Poison Control Centers (AAPCC), American Academy of Clinical Toxicology, and Minnesota Pharmacists Association. She is the Chair of the AAPCC Research Awards Committee. In her spare time, Sam enjoys golfing and spending time with her friends and family.

Rebecca Lange, PharmD, BCPS, CSPI

Becca Lange graduated from the University of Minnesota College of Pharmacy in 2013. She completed a PGY-1 residency at Abbott Northwestern Hospital in 2014. She started as a Specialist in Poison Information at the Poison Center following residency. Becca obtained her certification as a Specialist in Poison Information in 2016 and also Board Certification as a Pharmacotherapy Specialist the same year. She is a member of AAPCC. In her spare time, she enjoys yoga, biking and camping.

Carrie Oakland, PharmD, BCPS, CSPI

Carrie graduated from Rosalind Franklin University of Medicine and Science in North Chicago, IL in 2016. Following graduation, she completed a PGY-1 residency at North Memorial Medical Center and began working at the Poison Center the summer of 2017. Carrie obtained her certification as a Specialist in Poison Information in May 2018 as well as Board Certification as a Pharmacotherapy Specialist in 2019. She recently became the Pharmacy Student Rotation Coordinator at the Poison Center and is a member of AAPCC. Outside of work, Carrie enjoys cooking, traveling and spending time with her husband and their new baby.

Sarah M. Linder-Stenzel, PharmD, BCPS

Sarah Linder-Stenzel is a 2006 graduate of the University Of Minnesota College Of Pharmacy and completed a residency in critical care at Hennepin County Medical Center in Minneapolis, MN. Sarah spends the majority of her time covering pediatrics, MICU, and SICU and also precepts in the burn unit, general medicine, and cardiology. She is a member of the pharmacy's Residency Planning Committee and the Preceptor Development Committee. Her professional associations include MCCP and ACCP. In her spare time, Sarah enjoys spending time with her husband and two boys, Henry and Charlie, and participating in marathons and triathlons.

Nicholas Beaupre, Pharm.D, BCCCP

Nick is originally from Big Lake, MN. He pursued undergraduate studies at North Dakota State University and earned his Doctor of Pharmacy degree from Concordia University Wisconsin in 2017. He completed his PGY-1 Residency at Froedtert & the Medical College of Wisconsin in Milwaukee, WI in 2018 after which he completed a PGY-2 Critical Care Residency at HCMC in 2018. He has been at HCMC since residency and has become one for the Emergency Medicine Pharmacists. His primary professional interests include emergency medicine and infectious disease. Outside of his professional career, he enjoys spending time with his family at their cabin in Alexandria, MN. He also enjoys exploring the Twin Cities area's restaurants, breweries, and parks.

Kaitlyn Robinson, Pharm.D, BCCCP

Kaitlyn is originally from Shelbyville, Illinois. She earned her Doctor of Pharmacy degree from Butler University in 2015, then completed her PGY-1 Pharmacy Residency at Parkview Health in Fort Wayne, Indiana and her PGY-2 Critical Care Residency at Hennepin Healthcare in 2017. She currently covers all of the critical care areas (MICU, SICU, Burn, PICU, and NICU) in the evening and has professional interests include anticoagulation reversal, neurocritical care and medication safety. Outside of pharmacy, she enjoys traveling, golf and trying new restaurants and breweries.

Alexandru Ulici, Pharm.D, BCCCP, CSPI

Alex is originally from Minneapolis, Minnesota. He earned his Doctor of Pharmacy degree from Concordia University Wisconsin, School of Pharmacy in 2015. He has completed a PGY-1 Residency at Massachusetts General Hospital in Boston and completed his PGY-2 Critical Care Residency at HCMC. Alex is a certified specialist in poison information and a board certified critical care pharmacist who spends the majority of his time in the Poison Center. Outside of pharmacy, he enjoys cycling, camping, boating and traveling with his wife.

Nichole Neumann, Pharm.D

Nichole Neumann graduated from the University of Minnesota College of Pharmacy in 2002. In her 19 years at Hennepin County Medical Center, Nichole has provided clinical services for general medicine, surgery, burn care, cardiology, and orthopedics. Currently she works primarily in the Burn Unit and with the orthopedics service and serves as both a PGY-1 and PGY-2 residency preceptor in burn care. Outside of work, Nichole enjoys playing the role of soccer mom to her 2 sons Andrew and Adam, cooking, cheering for the Minnesota United soccer team, and spending time with her husband, Chad.

Laura Hubbard, Pharm.D, BCPS

Laura Hubbard graduated from the University of Minnesota College of Pharmacy in 2008. She then completed a PGY-1 residency at the Roudebush Veterans Affairs Medical Center in Indianapolis, Indiana followed by a PGY-2 residency in Critical Care at the University of Wisconsin Hospital and Clinics in Madison, Wisconsin. Laura's focus at HCMC is cardiovascular medicine serving as the primary pharmacist for the cardiology consult services as well as the primary preceptor for the cardiology rotation for the Critical Care and Internal Medicine PGY-2 programs. Laura is also the Anticoagulation Stewardship Pharmacist and the VTE Committee Co-Chair. Prior to transitioning to the cardiology services, she worked to develop pharmacy services within the Emergency Department. Outside of work, Laura enjoys traveling, activities outdoors, and spending time with her children, husband, and friends.

Lori Chiappetta, Pharm.D

Lori Chiappetta graduated from the University of Minnesota College of Pharmacy in 2009 and completed the critical care residency at Hennepin County Medical Center in 2010. Lori became Board Certified in Pharmacotherapy in 2011. Loris current role and responsibilities at HCMC is currently evening ICU coverage in the medical, surgical, pediatric intensive care and burn units. In her spare time, Lori enjoys reading, baking and finding fun places around the city to take her 2 children.

Tim Fromm, Pharm.D, BCCCP

Tim graduated from the University of Minnesota College of Pharmacy in 2002. He then completed a critical care residency at Hennepin County Medical Center in Minneapolis, MN. Tim practiced at the University of Minnesota, Fairview hospital in surgical and medical critical care from 2004-2012. He then returned to HCMC in 2012 where his primary focus has been in the medical intensive care unit. Outside of pharmacy, Tim enjoys fitness activities, drumming and spending time with family.

Ellen Walter, Pharm.D

Ellen Walter graduated in 2011 from Drake University College of Pharmacy. She completed a General Practice Residency at Froedtert Memorial Lutheran Hospital in 2012 and a Critical Care Residency at Hennepin County Medical Center in 2013. She has since worked primarily in the Burn Unit, with the orthopedics service as well as the Emergency Department and the Pediatric units (PICU, Peds floor and NICU). In her spare time, she enjoys outdoor activities, exploring microbreweries in the Twin Cities area, and spending time with her husband and three young children.

Hsiaoting Regelman, MS, PharmD, BCPS, CSPI

Ting graduated from the University of Maryland School of Pharmacy in 2014. Following graduation, she completed a PGY-1 residency at the University of Maryland Medical Center and began working at the Minnesota Poison Control System in the summer of 2015. Ting obtained her Board Certification as a Pharmacotherapy Specialist in 2016 and her certification as a Specialist in Poison Information in 2017. She has been a member of the American Associations of Poison Control Centers since 2015 and served as a committee member in 2018 where she was involved in planning webinars. Outside of work, Ting enjoys home cooking as well as exploring the food scene in the greater twin cities area. She and her husband are owners to two rescue dogs. She hopes that one day they could resume traveling and explore the exciting world with their 2-year-old kid.
