**Why I chose HCMC/Regions?** I wanted to be able to help people in the community I grew up in and love.

**Favorite thing to do in the Twin Cities:** summer bike rides to fun restaurants and breweries

**Hobbies:** going on walks in the neighborhood with my kiddo, listening to podcasts about true crime, and my guilty pleasure of watching reality television.

**Name:** Supra Khare

**Hometown:** Minneapolis, Minnesota

**Undergraduate:** University of Minnesota

**Medical School:** University of Kentucky

**Why I chose HCMC/Regions?** Wanted to be back in the Twin Cities, liked the diversity of services that residents could get involved in.

**Favorite thing to do in the Twin Cities:** Eating at different restaurants.

**Hobbies:** swimming, bollyX, biking, baking, eating, and shopping

**Name:** Lauren Klee

**Hometown:** Cottage Grove, Minnesota

**Undergraduate:** St. Olaf College

**Medical School:** Creighton University School of Medicine

**Why I chose HCMC/Regions?** I loved the people I met during the interview process and they seemed truly happy with their educational experience. I was also drawn to the large amount of patients with diverse backgrounds and opportunity to grow as a physician in a variety of settings (inpatient, outpatient, emergency, partial hospitalization, etc).

**Favorite thing to do in the Twin Cities:** Anything to do with the numerous lakes (walking, paddleboarding, kayaking, swimming), exploring parks and city events with my family and dog, breweries, restaurants.

**Hobbies:** Reading, lake activities, dancing, board games, exploring homes on Zillow, chasing my toddler

**Name:** Rachel Kuntz

**Hometown:** Eagan, Minnesota

**Undergraduate:** Creighton University

**Medical School:** Creighton University

**Why I chose HCMC/Regions?** I always wanted to come back to MN to be near family. HCMC had everything I was looking for in a psychiatry residency - good location, diverse patients, many psychiatric beds (100 at each hospital), robust emergency psychiatry, as well as free parking and food! I felt (and have since confirmed) that it would be a supportive place to learn and grow.

**Favorite thing to do in the Twin Cities:** taking long walks on the Stone Arch Bridge, trying new and interesting foods, taking cooking class, and spending time with my family and friends.

**Hobbies:** reading, cooking, baking, and occasionally going for a run.

**Name:** Suzie Strand

**Why I chose HCMC/Regions?** It's a great a place to be! I was drawn to the people, the patients, and the atmosphere.

**Favorite thing to do in the Twin Cities:** Spend time at the lakes

**Hobbies:** Reading Science Fiction Classics and playing tennis

**Name:** Benjamin Strand

**Hometown:** La Crosse, Wisconsin

**Undergraduate:** Luther College

**Medical School:** University of Minnesota – Twin Cities

**Why I chose HCMC/Regions?** After meeting the residents of the program, there was only one choice.

**Favorite thing to do in the Twin Cities:** Go to Concerts and record stores

**Hobbies:** Vinyl Records and Vinyl Records

**Name:** Vanessa Stumpf

**Hometown:** Mandan, North Dakota

**Undergraduate:** University of Mary in Bismarck, ND

**Medical School:** University of ND in Grand Forks, ND

**Why I chose HCMC/Regions:** I chose Hennepin-Regions for the people and patient population. It was clear to me during my interview and tour that the people in this program were thoughtful, kind, caring, and just plain fun to be around. And we get to see a wide variety of patients from different cultural backgrounds and with an extremely diverse range of psychopathology. I also really love living in the cities.

**Favorite thing to do in the Twin Cities:** Check out new restaurants, breweries and distilleries, walk by the river and lakes, and spend time with friends, exploring new events and activities in the community.

**Hobbies:** Yoga, cooking/baking, spending time with friends/family, watching cheesy TV shows and British mystery shows
