		Purpose
03011	<b>Research And Education Fund</b>	Supports research in radiology.
03085	<b>Interstate Dialysis Div Special Prjcts</b>	Supports research in dialysis and related projects.
03104	<b>Speech Pathology</b>	Supports research in speech pathology.
03118	<b>Catheterization Lab Education/Travel Fnd</b>	Supports research and education in cardiology and catheter processes.
03159	<b>Critical Care Education Fund</b>	Supports research in critical care.
03176	<b>Research And Education Fund</b>	Supports research in geriatrics.
03217	<b>Research And Education Fund</b>	Supports research in rheumatology.
03219	<b>Research And Education</b>	Supports research in orthopedics.
03239	<b>Mineral Metabolism Research &amp; Education</b>	Supports research in mineral metabolism.
03252	<b>Research And Education Fund</b>	Supports research in orthopedic surgery
3259	<b>Infectious Disease Funds</b>	Supports research focused on HIV/AIDS and other infectious diseases.
03261	<b>Neuropsychology Research</b>	Supports research in neuropsychology.
03265	<b>Research And Education Fund</b>	Supports research and education in orthopedic surgery.
03275	<b>Research And Education Fund - Cancer</b>	Supports research and education in cancer.
03281	<b>Transplant Research And Education Fund</b>	Supports research and education in transplants.
03290	<b>Research And Education</b>	Supports research and education in obstetrics.
03406	<b>General Research And Education</b>	Supports general research and education in cardiology.
03407	<b>Research And Education</b>	Supports general research and education in general medicine.
03420	<b>Research And Education</b>	Supports research and education in otolaryngology.
03474	<b>HHRI Educational Support-Podiatry</b>	Supports education in podiatry.
03513	<b>Histopathology Research &amp; Education</b>	Supports research and education in histopathology.
03541	<b>Research And Education</b>	Supports research and education in pulmonary.
03562	<b>Pulmonary Research And Education</b>	Supports research and education in the pulmonary division.

03566	<b>Research And Education - PM&amp;R</b>	Supports research and in physical medicine and rehabilitation.
3581	<b>Dementia And Aging Research Fund</b>	Supports research in the progression and prevention of dementia (including Alzheimer's disease) with a special focus on cognitive impairment and dementia in patients with kidney disease, anemia and
03630	<b>Nurse Midwife Service Fund</b>	Supports the nurse midwife service fund.
03672	<b>Microbiology Laboratory Fund</b>	Supports the microbiology laboratory, including COVID testing.
03682	<b>Research And Education</b>	Supports research and education in hematology.
03695	<b>Oral &amp; Maxillofacial Research and Educ.</b>	Supports oral and maxillofacial research and education.
03697	<b>Research and Education</b>	Supports pulmonary research and education.
03716	<b>Research and Education</b>	Supports research and education in obstetrics.
03721	<b>Bart Research and Education</b>	Supports research and education in addition medicine in clinical settings.
03729	<b>Center for Patient &amp; Provider Experience</b>	Supports the Center for Patient and Provider Experience.
03741	<b>Research and Education</b>	Supports research and education in pediatrics.
03742	<b>Research and Education</b>	Supports research and education in dermatology.
03757	<b>Research and Education - HBO</b>	Supports research and education in hyperbaric oxygen treatment.
03761	<b>Global Acute Care Research &amp; Education</b>	Supports research and education in emergency medicine.
3764	<b>Reseach - M. Thomas Stillman Endowed Chair Fund</b>	Supports research and education initiatives within the HHS Department of Medicine
3767	<b>ALS Research and Education Fund</b>	Supports improvement of patient care through cutting edge research, education of the multidisciplinary team, and quality improvement of
3769	<b>ESTAND Fundraising Account</b>	Supports ESTAND study of spinal cord treatment innovations.
3771	<b>Johanna Moore Research and Education</b>	Supports research and education in emergency medicine.
3773	<b>Support for the Health, Homelessness &amp; Criminal Justice Lab</b>	Supports the study of the overlap of homelessness and criminal justice involvement with chronic physical, mental and substance use conditions and with other systemic barriers to health and well-being, like structural
3774	<b>Health Equity Endowment</b>	Endowment to support health equity in the patients we serve.
3776	<b>Infectious Disease Endowment</b>	Endowment to support research in the Infectious Disease Department.
3777	<b>Love Research &amp; Education</b>	Supports research and education in pathology.
3780	<b>Nephrology research fund</b>	Supporting research in kidney disease with a focus on patient-led
3781	<b>Identifying and Addressing Disparities in the Criminal Justice and Health Care Systems</b>	Supports clinical researchers investigating the barriers to health equity.
3782	<b>Preclinical nephrology research fund</b>	Supporting new discoveries in preclinical kidney research.

3783	<b>Preclinical addiction Treatment Research and Prevention Fund</b>	Supports the physiological, and genetic, and behavioral factors in preclinical addiction research.
3784	<b>Infectious diseases, including preclinical work on malaria</b>	Supports research focused on malaria and other infectious diseases in the preclinical setting
4951	<b>GI/Liver Disease Research Fund</b>	Supports research in the mechanisms and treatment of chronic liver disease, including alcoholic hepatitis, autoimmune hepatitis and viral
4953	<b>Children's Hunger &amp; Growth Research Fund</b>	Supports the study of the impact that food insecurity has on the health and development of children.
4954	<b>Diabetes and Obesity Research Fund</b>	Supports research of newly arrived people to the U.S. and the progression of diabetes after acclimation.
4956	<b>Kidney Disease Research Fund</b>	Supports investigators conducting clinical research on the various forms of kidney disease with a focus on prevention.
4957	<b>Traumatic Brain Injury Research Fund</b>	Supports investigators researching the use of hyperbaric oxygen in the treatment of traumatic brain injury
4958	<b>Research - Cancer Center Research Fund</b>	Supports the Cancer Research Program in studies of the newest drugs, strategies and therapies for the treatment and prevention of cancer.
4959	<b>Berman Center Research Fund</b>	Supports the Berman Center.
4960	<b>Integrative Health &amp; Alternative Medicine Research Fund</b>	Supports the Integrative Health program in paving the way for important collaborations with conventional medicine in the areas of education and research by developing strategies that leverage the strengths of both.
4962	<b>Heart Disease/Heart Failure Research Fund</b>	Supports the Cardiology Division in conducting studies involving both early and late-phase trials of new drugs and devices, primarily in patients with acute and chronic heart failure, with the goal of improving
4965	<b>Sleep Disorders Research Fund</b>	Supports research exploring the causes and treatments for sleep
4966	<b>Trauma/Burn Research Fund</b>	Supports burn researchers conducting studies to evaluate and improve outcomes in patients who have sustained burn injuries and other complex wounds, including frostbite, necrotizing soft tissue infections, Stevens-Johnson Syndrome, Toxic Epidermal Necrolysis, pressure
4967	<b>Pediatrics Research &amp; Education Fund</b>	Supports research focusing on the health and well-being of children,
4968	<b>International Education Medicine Fund</b>	Supports education and post-graduate training for providers interested in tackling the unique challenges found in the developing world, and improving medical care and outcomes in patients around the world.

4969	<b>Orthopaedic/Biomechanics Research Fund</b>	Supports researchers exploring solutions to treat illness and injury of the bones, muscles, joints, tendons and ligaments, referred to collectively as
4970	<b>HIV/AIDS Research Fund</b>	Supports the HIV/AIDS Research Program on expanding understanding of the HIV disease process, improving health outcomes, preventing the spread of HIV, and helping to develop strategies to cure HIV infection.
4972	<b>Psychiatric Research Fund</b>	Supports research in preventing hospitalizations due to mental health emergencies by engaging and educating more people in our communities about mental illness so resources can be identified before a
4973	<b>Geriatric Department Annual Fund</b>	Supports geriatric interdisciplinary training
4974	<b>Huntington's Disease Research Fund</b>	Supports researchers conducting clinical trials on new treatments for Huntington Disease, a genetic disorder that causes the progressive
4975	<b>Emergency Medicine Research Fund</b>	Supports the Emergency Medicine research program conducts a variety of studies aimed at evaluating and improving outcomes in patients who
4980	<b>Family Resource Center Research and Education Fund</b>	Supports the Family Resource Center as a safe space for the families and friends of individuals living with mental illness to connect to resources in
4981	<b>Positive Care Clinic – General Education Fund</b>	Supports the Positive Care Center in providing comprehensive health and psychosocial services to those living with HIV.
4982	<b>Positive Care Clinic – Research Fund</b>	Supports the HIV/AIDS Research Program on expanding understanding of the HIV disease process, improving health outcomes, preventing the spread of HIV, and helping to develop strategies to cure HIV infection.
4986	<b>Cardiac Biomarkers Research Fund</b>	Supports the Cardiac Biomarkers Trial Laboratory (CBTL) in carrying out clinical studies, trials and analytical evaluations on cardiac biomarkers, proteins released by diseased heart tissue that are key to determining if
4987	<b>Research - Alvin Schultz Education &amp; Research Fund</b>	Support visiting professors for Medical Grand Rounds and educational experiences.
4988	<b>Addiction Treatment Research and Prevention Fund</b>	Support addiction researchers studying the physiological, and genetic, and behavioral factors that play into the development of addiction and
4990	<b>Dental Health Research Fund</b>	Supports research exploring the link between dental health and general
4991	<b>Lupus Research Fund</b>	Support Lupus Research
4992	<b>Brain Injury Emerging Technology and Innovation in Research (BETIR) Fund</b>	Supports The Brain Injury Research Lab in exploring methods for improved classification of brain injury to enable better identification of
4993	<b>Infectious diseases, including malaria.</b>	Supports research focused on malaria and other infectious diseases

4994	<b>Tobacco Related Disease Research and Education</b>	Supports research focused on trauma-related disorders, attention deficit disorder, and tobacco cessation
4995	<b>Surgical Care for Smokers Research and Education</b>	Supports research focused on producing new clinically applicable knowledge to improve healing in smokers undergoing surgery
4996	<b>Acute care research and education</b>	Supports research focused on the assessment and treatment of patients with sepsis and life-threatening infections
4999	<b>Tobacco Cessation Research and Education</b>	Supports research focused on finding the best methods for tobacco
8002	<b>Urgent Needs Research Support Fund</b>	Urgent needs include seed funding to initiate new research projects for which immediate funding is not available, bridge funding for continuing research that has lost its funding, and matching funding opportunities
