

Next Steps

- Contact us for an initial conversation that will cover logistics, such as your preferred drop-off location, what delivery will look like, and opportunities to share your generosity on social media. If applicable, we can provide a poster template and suggested shopping list.
- Set start/end dates for the donation drive or a date for your team activity.
- Contact us 72+ hours prior to your drop-off date. We will arrange a greeter to ensure signage and capture candid photographs of the delivery.

Not able to host group events just yet?

1. Join us as a sponsor.

- AngelEye NICU Video Streaming
- Employee Care Carts
- Talent Garden (Internships)
- Music Therapy
- Medical Resident Support

2. Consider a donation.

Visit hennepinhealthcare.org/donatenow

We are so thankful for your generosity and look forward to connecting with you.

Hennepin Healthcare Foundation has the honor of connecting the generosity of the community to the mission of Hennepin Healthcare. Caring for anyone at any time with any condition takes resources and a team of exceptional staff. Our unique position of being Minnesota's largest level one trauma center, safety net, and public teaching hospital offers innovative ways to influence the health of our community. Generosity removes barriers to healthcare access, enhances the patient and family experience, and advances efforts in medical education, clinical research and community health.

Doing good is good for business

How organizations can support the
mission of Hennepin Healthcare

There are many opportunities for companies and their employees to engage with our mission by supporting a patient population or program. Participating and tackling a goal together can help your employees establish meaningful relationships and gain a sense of pride knowing they made a difference.

Ways to support Hennepin Healthcare

Team Assembly

An easy way for individuals, groups or companies to gather and assemble kits to support staff and patients:

- Hydration Bundles (snacks and beverages)
- Children’s Activity Bundles
- Toiletry Kits
- Cold Weather Relief Kits

Clothing Drive

Provide clothing to boost the confidence of a pediatric or adult patient who is discharged from the hospital. Some patients have damaged clothing after an accident or clothing has been removed to access wounds. Others simply do not have adequate clothing for the weather. For those who don’t have the support of family or friends, our emergency clothing closet provides clean items so a patient can be discharged with dignity.

Please collect:

- NEW top and bottom fleece sets (solid colors in sizes 2T to adult XXL)
- NEW socks & tennis shoes (toddler size 6 to adult size 12)
- NEW underwear briefs, solid tops and black crew socks
- NEW men and women’s winter hats, gloves and scarves
- NEW Duffel bags and backpacks

Support for Pediatric Patients

We accept new, unwrapped, non-denominational toys, games and gifts for Hennepin Healthcare pediatric patients who are 2-17 years old. Suggested items:

- Beverage tumblers
- Board games
- Card games
- Cinch/duffel bags
- Cinema lightboxes
- Comic books
- Crossword puzzle books
- Gift cards (Target, Amazon, Netflix, Apple Music, etc.)
- Journals
- Markers and construction paper
- Mini basketball hoops
- Nail polish kits
- Novelty socks
- Portable phone chargers
- Puzzles

Good Neighbor Day

Provide snacks/beverages or meals for healthcare employees. Learn more at hennepinhealthcare.org/inkind.

All food items must be:

- Individually packaged
- Made in a commercial kitchen
- Shelf stable (stored safely at room temperature)

We cannot accept:

- Hot items
- Items requiring refrigeration
- Buffet style serving
- Homemade food
