

Together We Care 

Inspire • Rise • Give • Rely On Each Other

October 3-21, 2022

2022 HHRI Fund List Alphabetized

Fund	Name	Purpose	Fund Holder
4996	Acute Care Research and Education FUND	Supports research focused on the assessment and treatment of patients with sepsis and life-threatening infections.	PUSKARICH
4988	Addiction Treatment Research and Prevention Fund	Support addiction researchers studying the physiological, and genetic, and behavioral factors that play into the development of addiction and affect treatment outcomes.	PRASAD
3767	ALS - Research and Education Fund	Supports improvement of patient care through cutting edge research, education of the multidisciplinary team, and quality improvement of clinical operations in ALS research.	PRASAD
4987	Alvin Schultz Education & Research Fund	Support visiting professors for Medical Grand Rounds and educational experiences.	APPLE
3721	Bart - Research and Education FUND	Supports research and education in addition medicine in clinical settings.	BART
4959	Berman Center Research Fund	Supports the Berman Center.	ROCKSWOLD
4992	Brain Injury Emerging Technology and Innovation in Research (BETIR) Fund	Supports The Brain Injury Research Lab in exploring methods for improved classification of brain injury to enable better identification of people who do not recover.	BERGMAN
3275	Cancer - Research and Education Fund	Supports research and education in cancer.	ZERA
4958	Cancer Center Research Fund	Supports the Cancer Research Program in studies of the newest drugs, strategies and therapies for the treatment and prevention of cancer.	JOHANSEN

Fund	Name	Purpose	Fund Holder
4986	Cardiac Biomarkers Research Fund	Supports the Cardiac Biomarkers Trial Laboratory (CBTL) in carrying out clinical studies, trials and analytical evaluations on cardiac biomarkers, proteins released by diseased heart tissue that are key to determining if a person is having a heart attack.	HENRY
3406	Cardiology - Research and Education FUND	Supports general research and education in cardiology.	SHROFF
3118	Catheterization Lab Education/Travel FUND	Supports research and education in cardiology and catheter processes.	BACHOUR
4953	Children's Hunger & Growth Research Fund	Supports the study of the impact that food insecurity has on the health and development of children.	BURRACK
3159	Critical Care Education Fund	Supports research in critical care.	LEATHERMAN
3581	Dementia and Aging Research Fund	Supports research in the progression and prevention of dementia (including Alzheimer's disease) with a special focus on cognitive impairment and dementia in patients with kidney disease, anemia and diabetes.	MURRAY
4990	Dental Health Research Fund	Supports research exploring the link between dental health and general health.	Seieroe
3742	Dermatology - Research and Education FUND	Supports research and education in dermatology.	SLUSHER
4954	Diabetes and Obesity Research Fund	Supports research of newly arrived people to the U.S. and the progression of diabetes after acclimation.	DAVIES
4975	Emergency Medicine Research Fund	Supports the Emergency Medicine research program conducts a variety of studies aimed at evaluating and improving outcomes in patients who visit the Emergency Department.	NANCE
4989	Environmental Impacts on Physicians	Support Dr. Linzer and his team's work to conduct programming and research for provider wellness and on burnout mitigation interventions	LeSage
3769	ESTAND Fundraising Account	Supports ESTAND study of spinal cord treatment innovations.	MAISER
4980	Family Resource Center - Research and Education Fund	Supports the Family Resource Center as a safe space for the families and friends of individuals living with mental illness to connect to resources in the community.	MINER
3407	Gen Medicine - Research and Education FUND	Supports general research and education in general medicine.	PRYCE

Fund	Name	Purpose	Fund Holder
4973	Geriatric Department Annual Fund	Supports geriatric interdisciplinary training.	COLON
3176	Geriatrics - Research and Education Fund	Supports research in geriatrics.	MEYERS
4951	GI/Liver Disease Research Fund	Supports research in the mechanisms and treatment of chronic liver disease, including alcoholic hepatitis, autoimmune hepatitis and viral hepatitis.	HARRIS
3761	Global Acute Care - Research and Education FUND	Supports research and education in emergency medicine.	LOGUE
3757	HBO - Research and Education Fund	Supports research and education in hyperbaric oxygen treatment.	LIU
3774	Health Equity Endowment	Endowment to support health equity in the patients we serve.	VICKERY
4962	Heart Disease/Heart Failure Research Fund	Supports the Cardiology Division in conducting studies involving both early and late-phase trials of new drugs and devices, primarily in patients with acute and chronic heart failure, with the goal of improving outcomes.	PRINTON
3682	Hematology - Research and Education FUND	Supports research and education in hematology.	KORETH
3513	Histopathology - Research and Education FUND	Supports research and education in histopathology.	LINZIE
4970	HIV/AIDS Research Fund	Supports the HIV/AIDS Research Program on expanding understanding of the HIV disease process, improving health outcomes, preventing the spread of HIV, and helping to develop strategies to cure HIV infection.	BECHTOLD
4974	Huntington's Disease Research Fund	Supports researchers conducting clinical trials on new treatments for Huntington Disease, a genetic disorder that causes the progressive breakdown of nerve cells in the brain.	KERZNER
3781	Identifying and Addressing Disparities in the Criminal Justice and Health Care Systems	Supports clinical researchers investigating the barriers to health equity.	LOVE
3776	Infectious Disease Endowment	Endowment to support research in the Infectious Disease Department.	ISRANI
3259	Infectious Disease Funds	Supports research focused on HIV/AIDS and other infectious diseases.	BAKER
4993	Infectious diseases, including malaria.	Supports research focused on malaria and other infectious diseases.	FROSCH

Fund	Name	Purpose	Fund Holder
3784	Infectious diseases, including preclinical work on malaria	Supports research focused on malaria and other infectious diseases in the preclinical setting.	DORR
4960	Integrative Health & Alternative Medicine Research Fund	Supports the Integrative Health program in paving the way for important collaborations with conventional medicine in the areas of education and research by developing strategies that leverage the strengths of both.	RAUSCH
4968	International Education Medicine Fund	Supports education and post-graduate training for providers interested in tackling the unique challenges found in the developing world, and improving medical care and outcomes in patients around the world.	CUTTS
3085	Interstate Dialysis Div Special Prjcts	Supports research in dialysis and related projects.	DAHL
3771	Johanna Moore - Research and Education FUND	Supports research and education in emergency medicine.	DARROW
4956	Kidney Disease Research Fund	Supports investigators conducting clinical research on the various forms of kidney disease with a focus on prevention.	CUTTS
4991	Lupus Research Fund	Support Lupus Research	NASR
3764	M. Thomas Stillman Endowed Chair Fund	Supports research and education initiatives within the HHS Department of Medicine.	DUNLOP
3672	Microbiology Laboratory Fund	Supports the microbiology laboratory, including COVID testing.	HANSEN
3239	Mineral Metabolism - Research and Education FUND	Supports research in mineral metabolism.	EIDMAN
3780	Nephrology Research Fund	Supporting research in kidney disease with a focus on patient-led investigation.	BAKER
3261	Neuropsychology Research	Supports research in neuropsychology.	TUPPER
3630	Nurse Midwife Service Fund	Supports the nurse midwife service fund.	GUSTILO
3716	Obstetrics - Research and Education Fund (Brosam)	Supports research and education in obstetrics.	BROSAM
3290	Obstetrics - Research and Education Fund (Coultrip)	Supports research and education in obstetrics.	COULTRIP
3695	Oral & Maxillofacial - Research and Education FUND	Supports oral and maxillofacial research and education.	SVOBODA
3265	Ortho Surgery - Education Fund	Supports research and education in orthopedic surgery.	VARECKA

Fund	Name	Purpose	Fund Holder
3252	Ortho Surgery - Research Fund	Supports research in orthopedic surgery.	TEMPLEMAN
4969	Orthopaedic/Biomechanics Research Fund	Supports researchers exploring solutions to treat illness and injury of the bones, muscles, joints, tendons and ligaments, referred to collectively as the musculoskeletal system.	QUIRK
3219	Orthopedics - Research and Education FUND	Supports research in orthopedics.	SCHMIDT
3420	Otolaryngology- Research and Education FUND	Supports research and education in otolaryngology.	ODLAND
4967	Pediatrics Research & Education Fund (Richardson)	Supports research focusing on the health and well-being of children, from babies to teens.	RICHARDSON
3741	Pediatrics Research and Education Fund (Linzer)	Supports research and education in pediatrics.	LINZER
3566	PM&R - Research and Education FUND	Supports research and in physical medicine and rehabilitation.	GRAF
3474	Podiatry - HHRI Educational Support	Supports education in podiatry.	BENTON
4981	Positive Care Clinic – General Education Fund	Supports the Positive Care Center in providing comprehensive health and psychosocial services to those living with HIV.	COLON
4982	Positive Care Clinic – Research Fund	Supports the HIV/AIDS Research Program on expanding understanding of the HIV disease process, improving health outcomes, preventing the spread of HIV, and helping to develop strategies to cure HIV infection.	VOGENTHALER
3783	Preclinical Addiction Treatment Research and Prevention Fund	Supports the physiological, and genetic, and behavioral factors in preclinical addiction research.	WINKELMAN
3782	Preclinical Nephrology Research Fund	Supporting new discoveries in preclinical kidney research.	ISRANI
4972	Psychiatric Research Fund	Supports research in preventing hospitalizations due to mental health emergencies by engaging and educating more people in our communities about mental illness so resources can be identified before a person reaches the crisis stage.	HENRY
3697	Pulmonary - Research and Education Fund (KEMPAINEN)	Supports pulmonary research and education.	KEMPAINEN
3541	Pulmonary - Research and Education Fund (Shapiro)	Supports research and education in pulmonary.	SHAPIRO

Fund	Name	Purpose	Fund Holder
3562	Pulmonary - Research and Education Fund (SPRENKLE)	Supports research and education in the pulmonary division.	SPRENKLE
3011	Radiology - Research and Education Fund	Supports research in radiology.	PUNJABI
3217	Rheumatology - Research and Education Fund	Supports research in rheumatology.	SCHLESINGER
4965	Sleep Disorders Research Fund	Supports research exploring the causes and treatments for sleep disorders.	GOLDSMITH
3104	Speech Pathology - Research and Education FUND	Supports research in speech pathology.	GORSKI
3773	Support for the Health, Homelessness & Criminal Justice Lab	Supports the study of the overlap of homelessness and criminal justice involvement with chronic physical, mental and substance use conditions and with other systemic barriers to health and well-being, like structural racism.	MOORE
4995	Surgical Care for Smokers Research and Education FUND	Supports research focused on producing new clinically applicable knowledge to improve healing in smokers undergoing surgery.	LASSIG
4999	Tobacco Cessation Research and Education FUND	Supports research focused on finding the best methods for tobacco cessation.	BUSCH
4994	Tobacco Related Disease Research and Education	Supports research focused on trauma-related disorders, attention deficit disorder, and tobacco cessation.	JAPUNTICH
3281	Transplant - Research and Education Fund	Supports research and education in transplants.	HILL
4966	Trauma/Burn Research Fund	Supports burn researchers conducting studies to evaluate and improve outcomes in patients who have sustained burn injuries and other complex wounds, including frostbite, necrotizing soft tissue infections, Stevens-Johnson Syndrome, Toxic Epidermal Necrolysis, pressure wounds and inhalation injuries.	EMIRU
4957	Traumatic Brain Injury Research Fund	Supports investigators researching the use of hyperbaric oxygen in the treatment of traumatic brain injury.	LaFave
8002	Urgent Needs Research Support Fund	Urgent needs include seed funding to initiate new research projects for which immediate funding is not available, bridge funding for continuing research that has lost its funding, and matching funding opportunities.	n/a
