

2022 GENEROSITY AT A GLANCE

We are honored to celebrate the power of philanthropy from the individuals, companies, organizations and foundations who embraced our vision to provide exceptional care without exception in 2022. Our donors remained by our side as we answered the calls to advance medical education and research, address barriers to equitable healthcare access and build more community connections to expand care beyond our walls.

2022 Sources of Generosity

including grants held at Hennepin Healthcare

Launched Mahowald Lectureship focused on sleep medicine education.

4 YOUTH SUMMITS

held four half-day symposiums on healthcare careers tailored to African American, Native American, Asian and Latine students in middle and high school.

20 SUMMER PAID INTERNSHIPS

provided job shadowing opportunities for high school juniors and seniors.

349

Next Step served 349 new youth and adult survivors of violent crimes, providing them with crisis intervention, trauma-informed case management, mental healthcare, advocacy, peer support, and direct client assistance.

7,600

supporters subscribe to our semi-monthly e-newsletter

Raised funds to expand music therapy to inpatient psych units at Hennepin Healthcare.

8 CARE CARTS

rolled out to hospital clinics each month providing welcome breaks and appreciation of the healthcare team.

POSITIVE CARE CENTER

enhanced their renovated clinic with 25 sponsored art pieces and over \$10,000 in support for their urgent patient needs fund.

\$180K

Community Paramedic received \$180K in funding over three years to provide medical supplies so patients with chronic illnesses can remain at home and reduce the need to visit the ED.

THOUSANDS OF INKIND DONATIONS

were received to enhance the patient experience including toys for pediatrics, new clothes for our emergency clothing closets, and blankets for spiritual care and hospice.
