M. Stillman Community & Education Room

Located in Hennepin Healthcare's Clinic and Specialty Center near Dunn Brothers Cafe

715 South 8th Street, Minneapolis, MN 55404

7:00am – 7:30am

Welcoming and Registration

7:30am – 11:30am

INSTRUCTOR COURSE DESCRIPTION

The ABLIS Instructor course is offered to physicians, nurses, physician assistants, nurse practitioners who have successfully completed the ABLIS course, are members of the ABA, and have an interest in teaching with a commitment to serve as an Instructor for at least 2 ABLIS courses per year.

Following a lecture on "How to Teach," students will present a 5-minute mini-lecture on an assigned topic, lead a group discussion of case studies, and a patient assessment stabilization scenario.

By the end of this training, you will be able to:

- Effectively teach the ABLIS Instructor Course by applying best practices in the classroom.
- Recognize potential ABLIS National Faculty candidates in your peer group.

Prerequisites for ABLIS Instructor Course:

1. The attendees taking the Instructor Course need to be employed in a burn center for at least 3 years.
2. Completed the ABLIS Course at least 1 year prior to the date of the Instructor Course. (For example, if you want to have the Instructor Course May 1, 2022, all registering for the course have had to have taken the ABLIS Course prior to May 1, 2021).
3. Certification is earned when successful teaching observations are completed, and all documentation is uploaded in the ABA site.

Participants will earn 4 hours CE on their ABA transcript.

Visit www.ameriburn.org/education/abls for all requirements to become an ABLIS Instructor.

CE AND CME CREDITS

- The American Burn Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education hours for physicians. The American Burn Association designates this education activity for a maximum of 4.0 credits AMA PRA Category 1 Credits(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
- The American Burn Association is accredited as a provider of Nursing Continuing Professional Development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is accredited for 4.0 nursing contact hours.
