

## 2023 Instructions for BEA/Business Expense Account Donations

Thank you for considering a donation from your BEA. This is a popular way to support the named funds at Hennepin Healthcare Foundation or HHRI. This is a one-time, lump sum donation of BEA funds and cannot be distributed throughout the year like payroll deduction. Please note, BEA donations can only be designated to named funds held at Hennepin Healthcare Foundation or HHRI.

Please read through this document carefully as this option comes with specific rules. If you have questions, please contact [jennifer.feldkamp@hcmcd.org](mailto:jennifer.feldkamp@hcmcd.org).

### 3. Form Data and File attachment

The 'Form Data' interface shows a table with 1 row. The columns are: Category ID (with a dropdown arrow), Description (with a dropdown arrow), Method (with a dropdown arrow), \*Business Purpose (with a dropdown arrow), \*Receipt Date (with a dropdown arrow and a calendar icon), Amount (with a dropdown arrow and a value of 0.00), Insert A Row (+), and Delete A Row (-). The first row is numbered 1 and has a search icon in the Category ID field.

- Select the appropriate category ID – HHRI and HHF Donations
- Type in the business purpose describe what fund number or program you wish to support
- Select receipt date - today's date
- Select approval amount requested
- Select the plus sign if you want to add more than one fund on this form
- If there is more than one reimbursement, there needs to be more than one attachment. Each reimbursement needs an attachment.

The 'File Attachments' form includes a table with columns: Status, Action, Description (with a dropdown arrow), File Name (with a dropdown arrow), and Remove. The first row is numbered 1 and has an 'Upload' button in the Action column, a text input field in the Description column, and a 'Delete' button in the Remove column. Below the table is an 'Add' button. A 'Comments' section is indicated by a right-pointing arrow. At the bottom are 'Search', 'Save', and 'Submit' buttons.

- Click upload to select a document
  - Description is where you can type in receipt, proof of payment, etc.
  - If you are requesting multiple reimbursements on one form, then you need to click “add” to create a row for an additional attachment.
  - Add any comments that may be necessary for the form
  - Click submit for the form to be approved.
- Note: You have to upload a document or the system won't process your request. This is usually a receipt from purchase but in the case of donation, there is no purchase. So you create a donation document using a piece of paper and writing what program would you like to support.

**Thank you for your contribution.**
