Housing

The logo features the word "MAINLINE" in a bold, white, sans-serif font. The letters are arranged in two rows: "MAIN" on top and "LINE" on the bottom. A thick white horizontal bar is positioned above the word "MAIN", and another thick white horizontal bar is positioned below the word "LINE". Both bars have arrowheads pointing outwards from the center of the text.

MAIN LINE

We provide individuals access to rapid HIV, Hepatitis C and Syphilis Testing Services as well as sterile syringes to those who inject drugs and those in need of syringes for hormone injection shots.

In addition, Mainline provides PrEP Referrals to those , Smoking Materials, Naloxone, Xylazine and Fentanyl Test Strips to those who engage in injection drug usage.

Mainline also provides PrEP & Doxypep Referrals to Rainbow Health's 340B Program
