

Mindfulness-Based Stress Reduction Courses

Deepen your Mindfulness this Summer!

Learn tools for enhancing your life with the Mindfulness-Based Stress Reduction (MBSR) Program. This is a systematic course with each week building upon the one before, support in developing a mindfulness practice for improved health, wellbeing and resilience.

Our combined Informational Orientation and MBSR Course explores:

- **Week 1:** What is Mindfulness?
- **Week 2:** Perception and Responding Creatively
- **Week 3:** The Power and Pleasure in Awareness
- **Week 4:** Defining Stress and Discussing Reactivity
- **Week 5:** Responding and Recovering
- **All Day Retreat:** An Extended Time in Practice and New Practices
- **Week 6:** Skillful Communications
- **Week 7:** Integrating Mindfulness More Fully into Daily Life
- **Week 8:** Reviewing the Program and Living Life
